

ICC Jerusalem - International Convention Center

The ICC is Israel's largest convention center, offering a superb venue for conferences, conventions, exhibitions and corporate events. Due to its unique structure, multiple events can be held simultaneously without disturbing one another.

The ICC is located at the gateway to Israel's capital, allowing convenient access from all directions via highways and public transportation. ICC's 27 halls, in a variety of sizes and configurations, enable maximum flexibility in handling events from as little as 40 to as many as 10,000 participants. Equipped with state-of-the-art multimedia systems, the halls can accommodate conferences, conventions, exhibitions and seminars, corporate events, gala dinners and banquets.
